## WHALE WATCHING TRIPS

Full Day 10am – 4pm

*Bookings essential – Run only during Whale Watching Season*

Sail to the Whales. Join us as we explore outside Sydney Harbour to watch whales on their annual migration north. Step aboard our newest luxury Hunter 38, a state of the art yacht for an adventure not to be missed. Departing Darling Harbour we make our way under the Harbour Bridge, past the historical attractions, beautiful bays and beaches. Once we pass through the heads the whale watching begins as we seek out the whales as they migrate up the coast. On board is a highly skilled and experienced skipper who will manoeuvre the yacht for a safe and close look at the whales. Keep your eyes peeled because as well as Humpbacks, we sometimes see Southern Right Whales, Dolphins and Minke Whales, Australian Fur Seals & Fairy Penguins. Take an active role sailing the yacht or sit back and enjoy the experience. A fun, safe and exciting way to enjoy nature at its best. This experience also includes a packed lunch and water which can be enjoyed at anytime throughout the cruise. Full safety briefing included.

**Price                      Adult - \$220 / Child \$140**
