## Unique & Exciting Team Building Events

Sydney By Sail was established in **1996** at the Australian National Maritime Museum by Olympic Sailor Matt Hayes. We have grown to operate the **newest fleet of luxury sailing yachts in Sydney**, providing a wide variety of sailing experiences to the Corporate, Domestic Leisure & Tourism markets.

Our Team Building Events are a great way to inspire **team cohesion** and facilitate **stronger workplace relationships**. We **promote participation**, allowing people from all walks of life to actively sail our yachts. There is no previous experience required to take the helm, learn the ropes and explore Sydney Harbour under sail.

Our collaborations with the esteemed **Australian National Maritime Museum** make us a one stop shop for your event. Make the most of our stunning Harbour city with a Team Building Sailing Event and a function with the Australian National Maritime Museum - what better way to embrace our maritime histories, and stunning Sydney Harbour!

Your event can be styled as per your requirements. We are flexible, and can provide **gourmet catering, beverages** and even **pickup/drop off** locations in other areas of the Harbour.

To confirm your event, please contact our friendly staff on **(02) 9280 1110** or email **info@sydneybysail.com** to check availability and book.
